7. Cabinet has taken note that the Excise (Amendment of Schedule) (No. 3) Regulations 2022 and the Customs Tariff (Amendment of Schedule) (No. 4) Regulations 2022 would be promulgated to provide for a revision in the minimum threshold of energy efficiency index for refrigerators and dishwashers above which the existing 25% levy on energy inefficient appliances would apply. The Excise (Amendment of Schedule) (No. 3) Regulations 2022 provide for -

- (a) the levy to be applicable based on the new threshold Energy Efficiency Index for refrigerators and dishwashers imported as from 01 September 2022. However, to allow a smooth implementation, those refrigerators and dishwashers in bonded warehouse on or before 31 August 2022 would be allowed to be cleared based on either the new or the previously applicable threshold Energy Efficiency Index depending on their MS certification; and
- (b) the removal of washing machines from the scope of the levy.

The Customs Tariff (Amendment of Schedule) (No. 4) Regulations 2022 provide for consequential changes in HS Codes.

Both Regulations would come into operation on 01 September 2022.
