2. Cabinet has agreed to the ratification of the Treaty for the Establishment of the African Medicines Agency. The main objective of the African Medicines Agency is to strengthen the national regulatory systems through excellent back up at regional and continental levels. The African Medicines Agency would serve as the continental regulatory body that would ensure that there are harmonised and strengthened regulatory systems which govern the regulation of medicines and medicinal products in the African Continent.

Once the African Medicines Agency is operational, countries would be better equipped to –

- (a) increase access to medicines and health products that are safe, effective and of good quality;
- (b) combat substandard and falsified medical products;
- (c) improve efficiency; and
- (d) provide strategic directions in promoting good health practice.

3. Cabinet has taken note that the Sanitary and Phytosanitary Information Management System Portal (SPS) would be launched by the Ministry of Agro-Industry and Food Security on 23 August 2021. The Portal would be operated by the National Plant Protection Office and the Livestock and Veterinary Division of that Ministry. The purpose of the SPS Portal is to provide a platform to traders in order to obtain, from one single source, all the SPS related information. Traders would be able to apply for their certificate at any time. The service would be accessible via mobile devices such as tablets and smart phones. The overall objective of the project is to facilitate trade and increase transparency by consolidating all sanitary and phytosanitary trade related information into one user-friendly website for the issuance of a phytosanitary certificate, in line with the International Plant Protection Convention.

4. Cabinet has taken note that the Mauritius Cane Industry Authority has fixed the price of Molasses for Crop 2021 at Rs4,707/T in accordance with the Sugar Industry Efficiency Act and the Mauritius Cane Industry Authority Act. Planters would, for Crop 2021, benefit from an additional revenue of Rs458.52/T of Molasses or Rs184/T of sugar. Necessary Regulations would be made accordingly.

\*\*\*\*

5. Cabinet has taken note that the Ministry of Agro-Industry and Food Security would proceed with publication of the price of green tea leaf in line with the National Agricultural Products Regulations 2013. The National Agricultural Products Regulatory Office (NAPRO) has recommended that the Minimum Interim Price per kilo of green leaf payable monthly for the contractual year 2021-2022, be calculated as follows –

- |     |  |         |
|-----|--|---------|
| (a) | Producer of tea products to cultivator | Rs13.00 |
| (b) | Cultivator to métayer                  | Rs12.50 |

The new Minimum Interim Price would be applicable to the leaves harvested as from 01 July 2021.

Following consultations NAPRO had with tea growers and manufacturers, it has been agreed that the prices for the First Partial Payment of green leaves of tea be maintained as those of the previous year. Hence, the price per kilo of green leaves for the contractual year 2020/2021 would be as follows –

- |     |   |
|-----|---|
| (a) | Rs3.00 per kilo of green tea leaves paid by a producer to a cultivator, and |
| (b) | Rs2.50 per kilo of green tea leaves paid by a cultivator to a métayer.      |

The Regulations provide for the implementation of measures mentioned in the Annex to Budget Speech 2021-22 relating to revenue laws as well as other policy measures regarding, among others, the use of eco-friendly motor vehicles and the creation of new HS Codes for COVID-19 Home Self-Testing Kits to allow import control of these goods.

\*\*\*\*

12. Cabinet has taken note of the situation of the COVID-19 pandemic prevailing across the world. Some 210 million cases have been reported globally, of which 188.1 million persons have been successfully treated. With regard to Mauritius, as from March 2020 to 20 August 2021, 7,573 cases (including imported cases) of COVID-19 had been registered. There were 3,073 active cases of COVID-19 in Mauritius (mostly asymptomatic), out of which 3,051 were local cases and 22 imported cases.

Cabinet has also taken note of the situation of COVID-19 in prisons and the measures being taken to prevent the spread of the virus thereat. The vaccination exercise was ongoing for Prison Staff and detainees.

Cabinet has further taken note of progress in the COVID-19 Vaccination Programme. As at 19 August 2021, 777,052 persons had received a first dose of vaccine (representing 62 percent of the population). 681,241 persons had been fully vaccinated (representing 55 percent of the population).

\*\*\*\*

13. Cabinet has taken note of the findings and recommendations of the fifth Integrated Biological and Behavioural Surveillance Survey among People Who Inject Drugs which was carried out in Mauritius in November and December 2020. The specific objectives of the 2020 Integrated Biological and Behavioural Surveillance Survey were to –

- (a) monitor the trend in the prevalence of HIV, Hepatitis B, Hepatitis C, and syphilis among People Who Inject Drugs in Mauritius;
- (b) assess sexual and other risk behaviours among this target group;
- (c) assess health seeking behaviours, including harm reduction, HIV Testing and Counselling among this target group;
- (d) describe demographic characteristics of this target group and the nature of their high risk behaviours; and
- (e) provide information about this target group to assist policy makers in strategic planning.

The Ministry of Health and Wellness would disseminate the findings and salient features in the 2020 Integrated Biological and Behavioural Surveillance Survey Report to all stakeholders and the Report would be uploaded on the website of that Ministry.

\*\*\*\*

14. Cabinet has taken note that there has been a rise in the felling of tree species *Santalum album* commonly known as sandal wood, a culturally significant tree species which form part of the few trees growing on dry lowland landscape of the country. Several groups of people have been entering private properties and State lands illegally to cut these trees for the purpose of procuring the said wood for exportation.

With a view to halting the destruction and theft of the sandal wood, the Ministry of Agro-Industry and Food Security would stop the issue of phytosanitary certificate for export of sandal wood by the National Plant Protection Office as an immediate measure and would bring amendments to the Third Schedule of the Forests and Reserves Act 1983 to include sandal wood as a protected plant.

\*\*\*\*

15. Cabinet has taken note that the 41<sup>st</sup> SADC Summit of Heads of State and Government was held recently in Malawi. The President of the Democratic Republic of Congo was elected as the Vice Chairperson of SADC for a period of one year. The Summit also elected the President of the Republic of Namibia as the Vice Chairperson of the Organ on Politics, Defence and Security Cooperation.

The Summit endorsed the recommendation of the Council of Ministers for the appointment of Mr Elias Mpedi Magosi as the new Executive Secretary of SADC.

\*\*\*\*

16. Cabinet has taken note of the outcome of the Meeting of SADC Council of Ministers which was attended virtually by the Minister of Land Transport and Light Rail, Minister of Foreign Affairs, Regional Integration and International Trade. The interventions of the Minister at the SADC Council of Ministers focused, amongst others, on the following main issues -

- (a) the COVID-19 Pandemic;
- (b) the hosting of the African Medicines Agency Headquarters;
- (c) the adoption of a Draft Resolution on the Implementation of United Nations General Assembly Resolution 73/295 on the advisory opinion of the International Court of Justice on the legal consequences of the separation of the Chagos Archipelago from Mauritius in 1965;
- (d) the recruitment of the Executive Secretary for SADC; and
- (e) the Post Cotonou - Programming of the Sub-Saharan Africa Multi-Annual Indicative Programme 2021-2027.

- (e) the organisation of a Cultural Mediation Day in islands which are partners in the PHOI project.

\*\*\*\*

19. Cabinet has taken note that the Ministry of Youth Empowerment, Sports and Recreation would organise an inter-region ‘*A Cappella*’ competition for the first time ever. ‘*A Cappella*’ is an Italian term that literally means ‘in chapel style’. It is a song performed by a group of persons without the use of any instrumental accompaniment. Instead, the singers use their voice to replicate the sounds traditionally made by musical instruments. The local ‘*A Cappella*’ competition would be called ‘*Sa Nou Lavwa*’. The objectives of the competition are to –

- (a) promote ‘*A Cappella*’ as a recreational activity;
- (b) provide our youngsters with a platform to express their talents; and
- (c) provide guidance to young people who wish to further develop their skills with a view to becoming professional ‘*A Cappella*’ singers.

The ‘*A Cappella*’ competition would involve 10 teams of up to 15 youngsters which would compete against each other, and they would come each from the nine districts of Mauritius and also from Rodrigues.

\*\*\*\*
