

HIGHLIGHTS OF CABINET MEETING – FRIDAY 10 NOVEMBER 2023

1. Cabinet has agreed to the introduction of the Combating of Trafficking in Persons (Amendment) Bill into the National Assembly. The object of the Bill is to amend the Combating of Trafficking in Persons Act so as to consolidate the existing legal provisions for combating trafficking in persons and to provide for a modern legal framework to address the issue of trafficking in persons more effectively.

The amendments to the Combating of Trafficking in Persons Act would allow for a more rigorous identification and prosecution of cases, better support to victims of trafficking in persons and the establishment of an effective institutional framework for the fight against trafficking in persons.

It is being provided that those persons convicted of offences relating to trafficking in persons would no longer be eligible for remission or release on parole under the Reform Institutions Act. In addition, the Court would no longer have the discretion to inflict a term of imprisonment of less than three years for the offence of trafficking in persons.

2. Cabinet has agreed to the introduction of the Construction Industry Authority Bill into the National Assembly. The object of the Bill is to provide a modern overarching and consolidated legislation for the construction industry through the establishment of the Construction Industry Authority. The Building Control Act and the Construction Industry Development Board Act would be repealed and replaced by a more modern legislation for the construction industry.

The Construction Industry Authority would take over the functions and powers of the Building Control Advisory Council and the Construction Industry Development Board, and would, inter alia –

- (a) regulate the construction industry, including providers of construction works and construction services, and suppliers of construction materials, equipment, plant and labour for construction purposes;
- (b) promote the sustainable development of the construction industry, including green building, waste reduction, circular economy, sustainability rating tools and certification in the construction industry;
- (c) formulate and develop policies and standards for safe, efficient, high quality, cost-effective, climate resilient and sustainable construction of buildings;
- (d) promote environmental, social and governance practices in construction industry for a more sustainable and responsible development;

- (e) promote capacity development in the construction industry, including technical and vocational education and training;
- (f) facilitate dispute resolution in the construction industry, especially between individuals and small contractors;
- (g) promote the participation of more women in the construction industry; and
- (h) promote occupational safety and health in the construction industry.

3. Cabinet has agreed to the introduction of the Trade (Anti-dumping, Countervailing and Safeguard Measures) (Amendment) Bill into the National Assembly. The object of the Bill is to amend the Trade (Anti-Dumping, Countervailing and Safeguard Measures) Act 2022 to –

- (a) align the definition of “negligible”, in relation to countervailing investigations, with the World Trade Organization Agreement on Subsidies and Countervailing Measures; and
- (b) provide for more flexibility in the frequency of meetings of the Trade Remedies Investigating Authority.

4. Cabinet has taken note that the Minister of Finance, Economic Planning and Development would, pursuant to the Finance and Audit Act, bring necessary amendments to the regulations governing the Projects Development Fund, the objective of which is to contribute to the financing of –

- (a) projects specified in the Public Sector Investment Programme;
- (b) such other projects, or such schemes or programmes, as the Minister may approve; and
- (c) consultancy, preparatory or advisory services in relation to projects, schemes and programmes referred to above.

5. Cabinet has taken note of arrangements being made for the drafting of the Water Resources Bill.

6. Cabinet has agreed to the signing of a Protocol amending the Double Taxation Avoidance Convention (DTAC) between the Government of the Republic of Mauritius and the Government of the People’s Republic of Bangladesh. The DTAC was signed on

21 December 2009 and came into force on 15 September 2010. The main objective of the Protocol is to amend the DTAC so that it complies with the Base Erosion and Profit Shifting minimum standards of the Organisation for Economic Co-operation and Development.

7. Cabinet has agreed to the signing of the Post Cotonou Agreement, to be known as the Samoa Agreement, between the Members of the Organisation of African, Caribbean and Pacific States (OACPS) and the European Union (EU). The Agreement aims to further strengthen the relations between the OACPS and the EU in addressing challenges together in the following priority areas –

- (a) democracy and human rights;
- (b) sustainable economic growth and development;
- (c) climate change;
- (d) human and social development;
- (e) peace and security; and
- (f) migration and mobility.

8. Cabinet has agreed to the Ministry of Environment, Solid Waste Management and Climate Change signing a Memorandum of Understanding anew with DLA Piper UK LLP for *pro bono* legal assistance on matters related to international climate change negotiations and capacity building.

The scope of the Memorandum of Understanding would include assistance and support in international climate, biodiversity and environmental negotiations, as well as other types of *pro bono* legal advice, as required.

9. Cabinet has agreed to the signing of a Memorandum of Understanding between the Ministry of Agro-Industry and Food Security and the Mauritius Society for Animal Welfare (MSAW) for, *inter alia*, the allocation of a building at Belle Mare situated on land under the control of that Ministry to the MSAW, for the implementation of a 'Dog Holding Facility' to cater for the increase in the number of impounded dogs and cats.

10. Cabinet has taken note that the Minister of Finance, Economic Planning and Development would chair the Tripartite Committee Meeting on Thursday 07 December 2023. The Technical Committee meeting would be held on Monday 04 December 2023 under the chair of the Minister of Labour, Human Resource Development and Training.

11. Cabinet has taken note that following the ban which the Government of India had introduced in July 2023, the latter agreed to supply 14,000 MT of ration rice to Mauritius through one of its organisations, namely the National Cooperative Export Ltd (NCEL). A first consignment of 1,325 MT of ration rice from the NCEL has already been received out of this quota of 14,000 MT. Additionally, another consignment of 1,000 MT of ration rice from another organisation of the Government of India, namely the National Agricultural Cooperative Marketing Federation of India Ltd has been received, bringing the stock available at the State Trading Corporation Warehouse to some 3,100 MT, which would be adequate to cover for the festive period.

Cabinet has also taken note that another consignment of about 2,500 MT was expected from NCEL in December 2023, which would bring the situation back to normal with regard to ration rice.

12. Cabinet has taken note of arrangements made by the Central Electricity Board (CEB), the Central Water Authority (CWA) and the Wastewater Management Authority (WMA) with regard to provision of electricity, water and sanitation services in the context of the Divali festival which would be celebrated on Sunday 12 November 2023. Stand-by teams of the CWA, CEB and WMA would be available round the clock for any emergency and the hotlines would be available on 24-hour basis.

13. Cabinet has taken note of the elaboration of the National Stroke Action Plan 2023-2027 by the Ministry of Health and Wellness which provides the strategic direction with the following objectives –

- (a) setting up of a Stroke Unit at the Victoria Hospital;
- (b) creating awareness and informing the public on early warning signs of stroke and immediate action to be taken;
- (c) introducing stroke pathways to the Stroke Unit;
- (d) training of the human resources;
- (e) monitoring, evaluation and research; and
- (f) improving the chain downstream of acute care and preventing recidivism.

14. Cabinet has taken note that following the designation of Beijing Capital Airlines by the Chinese authorities to operate scheduled flights on the China-Mauritius route and in line with the provisions of the existing Bilateral Air Services Agreement between Mauritius and China, Beijing Capital Airlines would operate three weekly scheduled flights between Hangzhou, China, to Mauritius as from 18 January 2024 to 30 March 2024.

- (e) holding of a Symposium on the theme “Curbing the social scourge of Gender-Based Violence from a spiritual lens: a psychosocial model for counselling Gender-Based Violence victims,” with members of the Council of Religions including the Youth Wings.

21. Cabinet has taken note of the outcome of the recent participation of the Minister of Environment, Solid Waste Management and Climate Change in the high-level segment of the 35th Meeting of the Parties to the Montreal Protocol on Substances that Deplete the Ozone Layer (MOP35) in Nairobi, Kenya. The objectives of the MOP35 were essentially to discuss and decide on measures to be taken by Parties, the replenishment of the Multilateral Fund for the Implementation of the Montreal Protocol, institutional processes to strengthen the effective implementation and enforcement of the Protocol, new technologies, and challenges related to the Montreal Protocol and the climate. The Minister had a meeting with Mr Nils Hansen, Component Leader at the *Deutsche Gesellschaft für Internationale Zusammenarbeit Proklima* and urged for support towards the preparation of the Kigali Implementation Plan for Mauritius.

22. Cabinet has taken note of the outcome of the recent participation of the Attorney General, Minister of Foreign Affairs, Regional Integration and International Trade in the 20th African Growth and Opportunity Act (AGOA) Forum in Johannesburg, South Africa. The theme for this year's Forum was "Partnering to build a resilient, sustainable and inclusive AGOA to support economic development, industrialisation and quality job creation".

The African Ministers called for the long-term renewal of the AGOA and to address the issue of graduation in parallel in order not to jeopardise the results so far achieved and to further avoid the exclusion of some African countries on the basis of Gross National Income per capita. In relation to the African Continental Free Trade Area (AfCFTA), both the US and African Ministers highlighted the need to take into account the nexus between these two instruments so that AGOA supports AfCFTA.

The Attorney General, Minister of Foreign Affairs, Regional Integration and International Trade co-chaired a breakout session on "Addressing the impediments and challenges facing increased AGOA utilisation and Joint export promotion strategies". He had meetings with the United States Trade Representative, the former Assistant US Trade Representative and current President of the Corporate Council on Africa, the US Congress staffers, and the Coordinator of the Prosper Africa Initiative.

23. Cabinet has taken note of the outcome of the recent official visit of the Minister of Agro-Industry and Food Security in Rodrigues. He was the Chief Guest for the activities organised by the Rodrigues Regional Assembly in the context of World Food Day 2023. The Minister visited the building of the slaughter House at *Baie Diamant* which showed great potential for further development of the breeding sector in Rodrigues. He also met with members of the *Association Planteur Eleveur Vangard* at Terre Rouge.
