8. Cabinet has agreed to the signing of a project document between the Ministry of Environment, Solid Waste Management and Climate Change, the Ministry of Finance, Economic Planning and Development and the United Nations Development Programme (UNDP) for the Capacity Building Initiative for Transparency project. In accordance with Article 13 of the Paris Agreement, Country Parties to the United Nations Framework Convention on Climate Change are required to establish an Enhanced Transparency Framework for action and support, under which developing countries such as Mauritius should provide information on financial, technology transfer and capacity building support needed and received.

The objective of the Capacity Building Initiative for Transparency project is to strengthen the national Greenhouse Gas inventory of the Republic of Mauritius as well as improve data collection, storage and dissemination. The Capacity Building Initiative for Transparency project comprises three components, namely –

- (a) Component 1: improve the accuracy and localisation of the national greenhouse gas inventory;
- (b) Component 2: strengthen the national greenhouse gas inventory process; and
- (c) Component 3: mainstream the national greenhouse gas inventory to enhance transparency and support policy-making

A Project Steering Committee would be set up to monitor progress of implementation of the project.

12. Cabinet has taken note that a delegation led by Dr Shavana Haythornthwaite, Adviser and Head of the Human Rights Unit of the Commonwealth Secretariat in London would be in Mauritius from 23 to 28 May 2022 for the holding of two workshops in collaboration with the Human Rights Division of the Ministry of Foreign Affairs, Regional Integration and International Trade. The themes of the workshops are ‘Human Rights and Youth Engagement’ and ‘Business and Human Rights’. The workshop on ‘Human Rights and Youth Engagement’ would be held from 23 to 25 May 2022 with some 30 youth trainers. It is built around the understanding that human rights principles and values are powerful tools to enhance participation, reinforce accountability and create spaces for peaceful dialogue among the youth and the society.

The workshop on the theme ‘Business and Human Rights’ would be held on 26 May 2022 for some 50 participants. It would be held against the backdrop that business enterprises can significantly impact the human rights of employees, consumers and communities throughout their operations. The ‘Business and Human Rights’ workshop aims to –

- (a) raise awareness and strengthen understanding on the UN Business and Human Rights Guiding Principles for key stakeholders;
- (b) identify gaps, opportunities and challenges; and
- (c) examine the impact of COVID-19 on business and human rights in various sectors.

13. Cabinet has taken note that a National Consultation would be held on 28 April 2022 in the context of the forthcoming international environmental meeting under the theme

“Stockholm+50: a healthy planet for the prosperity of all – our responsibility, our opportunity”. To commemorate the 50 years since the first United Nations Conference on the Human Environment in 1972, the United Nations General Assembly has agreed to convene the international meeting entitled “Stockholm+50: a healthy planet for the prosperity of all in Stockholm, Sweden on 2 and 3 June 2022, during the week of World Environment Day.

The Stockholm+50 is focusing on three leadership dialogues that are designed to be collaborative and multi-stakeholder with a focus on recommendations that would contribute to the environmental dimension of sustainable development. The main objectives of the consultations are to stimulate an inclusive whole-of-society and whole-of-government dialogue on the main themes of Stockholm+50 for ideas, insights, and innovation that would –

- (a) build a shared global vision on how to achieve a healthy planet and prosperity for all while accelerating progress on the Sustainable Development Goals (SDGs) and Multilateral Environment Agreements through an inclusive green recovery; and
- (b) offer clear recommendations on priority actions that can advance national and sectoral policies that address climate change and leverage nature-based solutions. This can build on and inform the Nationally Determined Contributions (NDCs) and SDG frameworks.

17. Cabinet has taken note of the outcome of the participation of Minister of Land Transport and Light Rail, Minister of Foreign Affairs, Regional Integration and International Trade in the Global Diaspora Summit held recently in Dublin, Republic of Ireland. The Summit was organised by the International Organization for Migration (IOM). The Global Diaspora Summit was the first Summit of the Member States of the IOM since the Ministerial Conference held in Geneva in 2013.

The Summit was held in preparation for the International Migration Review Forum, a major review of global migration policy being organised by the United Nations in New York in May 2022. The Summit took stock of international developments and achievements in the field of migration since the 2013 IOM Ministerial Conference, with particular focus on the progress made so far on the implementation of Objective 19 of the Global Compact for Safe, Orderly and Regular Migration in 2018, namely “Create conditions for migrants and diasporas to fully contribute to sustainable development in all countries”.

The Minister gave an overview of the migration and diaspora policy of Mauritius, while highlighting that Mauritius is a land of migrants with no indigenous population and that has been peopled by migrants from all continents. The Summit concluded with the adoption of the “Dublin Declaration” – a future agenda of action for global diaspora engagement. In the margins of the Summit, the Minister had a meeting with the Minister for Overseas Development Aid and Diaspora of the Republic of Ireland and discussed bilateral cooperation issues.
