

## **HIGHLIGHTS OF CABINET MEETING – FRIDAY 29 NOVEMBER 2024**

1. Cabinet has taken note that following a fire breakout on the night of 05 November 2024, at the Mare Chicose Landfill, a Coordination Committee chaired by a senior officer of the Ministry of Environment, Solid Waste Management and Climate Change was meeting on a daily basis, to coordinate the actions and interventions required by different bodies to combat the fire and assess progress. The methodology adopted to extinguish the fire comprised the breaking of the waste mass by means of excavators, cooling by application of water and covering the extinguished waste with soil.

As at 28 November 2024 mid-day, around 19,250m<sup>2</sup> had been covered completely. With the additional equipment and soil being received from the private sector, it was expected to increase the coverage rate to 2,000m<sup>2</sup> per day to completely extinguish the fire by mid-December 2024.
